Coastal Grey | Engineered Wood Lap Siding

Old Cherry | Fiber Cement Lap Siding

Design your home to a higher standard.

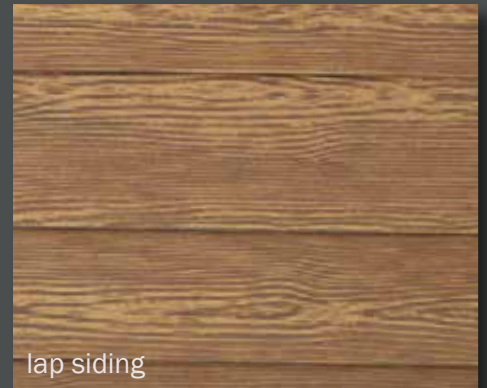

RusticSeries™ brings you the best of both worlds; the sought after beauty and warmth of real wood on durable fiber cement or composite. This two tone factory applied coating system not only improves the curb appeal of your home, but is warranted to protect it for 15 years. RusticSeries™ will shield you from the elements and provide you with a lasting, beautiful siding product for years to come.

RusticSeries™ provides a full spectrum of 18 designer colors and the option of lap siding, shakes, panels and trim; the possible uses of this product are endless.

We use a variety of **fiber cement** and **engineered wood** profiles to create your *perfect solution*.

Finish your look with trim.

Outline your new siding with your choice of our complimentary trim products in RealTrim Plus™, fiber cement or engineered wood. We offer solid body trim (left), as well as matching two tone trim (right).

Your home. Your way.

COMPLIMENTARY SOLID

MATCHING TWO TONE

Complete product offering.

We've teamed up with OSI sealants to provide RusticSeries™ customers with a superior caulking solution. Each RusticSeries™ color has a corresponding Quad Max color, and when used together, there is a 15 year warranty on both products.

Touch up kits make it easy.

You can now conveniently order a customized touch-up solution online from our website. We know you want your project to look perfect, so exact color matching ensures consistency and a simple fix for dings or nicks. You can get a custom kit for any RusticSeries™ color.

Beautiful siding for decades.

RusticSeries™ coating process is guaranteed for 15 years against failure. If you would like to enhance your home further after this period, our beautifying product, RusticClarity, can help. RusticClarity is specially formulated for our products to restore your home's original luster.
